

NAME \_\_\_\_\_ INTENDED QUARTER OF ENTRY \_\_\_\_\_

This worksheet is designed to help you learn about and plan for admission to your intended major and the University of Washington. More info about the admissions process can be found at <https://admit.washington.edu/apply/transfer/>. To plan your transfer, be sure to utilize <https://www.engr.washington.edu/future/transfer>.

**1. The Major**

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Total undergraduates in CIV E, as of autumn 2017: 361 students

Students from Washington community colleges:

<i>Entering Transfer Cumulative GPA</i>	
3.75-4.00 .....	16
3.50-3.74 .....	14
3.25-3.49 .....	9
3.00-3.24 .....	9
2.75-2.99 .....	2
2.50-2.74 .....	1
2.49 and below .....	0
Total.....	51

**Department Admission Information**

This major is capacity-constrained. Completion of prerequisites does not guarantee admission. Transfer students must submit two separate applications: one to the Office of Admissions and one to the department.

**2019 Application Deadlines:**

Note: Civil engineering only admits for autumn quarter.

- Apply to the UW by: February 15
- Apply to department by: April 5 via <http://engr.washington.edu/uapp>

To be eligible to apply, you must have a 2.0 ("C" grade) in each prerequisite course and a 2.50 cumulative GPA in all the prerequisites. These are minimums; the actual GPA of those admitted is much higher.

More information for transfer students is available from the department's website:

<https://www.ce.washington.edu/future/undergrad/apply>.

Visit the general catalog for more information on this major:

<http://www.washington.edu/students/gencat/academic/cive.html>.

**Courses Required for the Major**

**Application Requirements:** Minimum coursework required to apply to the department. These are noted with an \* below.

**Enrollment Requirements:** Additional coursework required before enrollment in the department. May be in progress at the time of application.

**Directions:** Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below. To find courses at your community college equivalent to the courses below, use the [Equivalency Guide for Washington Community & Technical Colleges](http://admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide), [admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide](http://admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide). In order to compare course titles and descriptions from your current school to those offered at the UW, visit [www.washington.edu/students/crscat](http://www.washington.edu/students/crscat).

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
<i>Example: MATH 124 – Calc Analytic Geom I</i>	<i>MATH&amp; 151</i>	<i>AUT 16</i>	<i>5</i>	<i>A-</i>	<i>BC</i>

\*MATH 124 – Calc Analytic Geom (NW, QSR)

\*MATH 125 – Calc Analytic Geom II (NW)

\*MATH 126 – Calc Analytic Geom III (NW)

MATH 308 – Matrix Algebra (NW)

\*CHEM 142 – General Chemistry I (NW, QSR)

\*PHYS 121 – Mechanics (NW, QSR)

\*PHYS 122 – Electromagnetism (NW)

---

---

---

---

### Additional Information:

A minimum of 60 credits completed by the April 5 application deadline. Students are strongly encouraged to also complete the following courses prior to autumn quarter - MATH 307, CHEM 152, PHYS 123.

## 2. General Education Requirements for the College of Engineering

In planning for your transfer, you should prioritize completing the courses required for the major listed above, rather than general education requirements. This major is in the College of Engineering, and the general education requirements listed below are for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education requirements.

**Directions:** Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

### Basic Skills

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
<i>Example: ENGL 131 – Composition: Exposition</i>	<i>ENGL&amp;101</i>	<i>AUT 16</i>	<i>5</i>	<i>A-</i>	<i>BC</i>

English Composition (C), 5 credits

This requirement is satisfied via the prerequisite coursework listed above.

Additional Writing (W), ENGR 231, 3 credits

Quantitative & Symbolic Reasoning (QSR), 10 credits

This requirement is satisfied via the prerequisite coursework listed above.

### Areas of Knowledge (AoK)

Natural World (NW), (Natural Sciences) 40 credits minimum

This requirement is satisfied via the prerequisite coursework listed above.

Individuals & Societies (I&S), (Social Sciences) 10 credits

Visual, Literary & Performing Arts (VLPA), (Humanities) 10 credits

Additional I&S or VLPA, (Social Sciences or Humanities) 4 credits

Diversity (DIV), (May overlap with I&S or VLPA) 3 credits

Note: it is most common to complete this at the UW.
