This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: admit.washington.edu

1. The Major

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Undergraduates in CM, as of Autumn 2016........................ 132
...from Washington community colleges:

Entering Transfer GPA
3.75-4.00 ....................................... 5
3.50-3.74 ....................................... 4
3.25-3.49 ....................................... 7
3.00-3.24 ....................................... 10
2.75-2.99 ....................................... 3
2.50-2.74 ....................................... 2
2.49 and below .............................. 2

Total from Washington community colleges ............. Total 33

Courses Required for Admission to Major

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

<table>

ACADEMIC PLANNING WORKSHEET /APW for CONSTRUCTION MANAGEMENT / 2017

One of the following MATH courses:
- MATH 112 NW QSR – Business Calculus
- MATH 124 NW QSR – Calculus
- Q SCI 291 NW QSR - Analysis for Biologists I

PHYS 114 NW QSR and PHYS 117 (lab) NW

OR

PHYS 121 NW QSR

PHYS 115 and PHYS 118 (lab) NW

OR PHYS 122 NW

QMETH 201 NW QSR – Statistical Methods

10 additional NW credits -

(Chemistry or Environmental Science Courses recommended)

5 English Composition C credits

5 additional Composition or Writing W credits

COM 220 VLPA – Intro Public Speaking

5 additional VLPA credits

3 Diversity (DIV): Courses that meet the university's diversity requirement

Additional Information:

1. Preference for admission is given to applicants who have successfully completed lower-division prerequisite requirements. Admission decisions are based on an applicant's academic performance and potential, extent and quality of relevant experience, apparent attitude, and personal motivation. Completion of prerequisite requirements does not guarantee admission.

2. The departmental application deadline is April 1 for the following autumn quarter. Selection for acceptance into the program, which begins autumn quarter, is made by early May, and all applicants are notified of the admission committee's decision shortly thereafter.

3. The department strongly suggests students interested in this major contact the department adviser to help plan their schedule for completing the prerequisite courses. The adviser can be reached at: redison@uw.edu or in Architecture Hall room 120.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.
2. General Education & Basic Skills Requirements for the College of Built Environments

This major is in the College of Built Environments, and these are requirements for graduation from that college. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. More info: http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

**General Education Requirements**

<table>
<thead>
<tr>
<th>UW Course</th>
<th>Dept. Prefix &amp; Number</th>
<th>Term/Year</th>
<th>Credits</th>
<th>Grade, In Progress (IP) or Projected (P)</th>
<th>College</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Example: MATH 124 – Calculus I</strong></td>
<td>MATH&amp; 151</td>
<td>AUT 08</td>
<td>5</td>
<td>A-</td>
<td>BC</td>
</tr>
</tbody>
</table>

**English Composition** C, 5 credits

**Additional Writing W**, 7 credits

**Quantitative & Symbolic Reasoning QSR**, 10 credits

**Areas of Knowledge AoK** - To graduate, students complete 46 credits among the three areas listed below. It is not necessary or even recommended to complete the entire AoK before transferring. It is just as important to work on prerequisites for your major. Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate. For more information, go to: http://www.washington.edu/uaa/advising/academic-planning/general-education-requirements/diversity/

**Natural World NW**
(Natural Sciences) 24 credits minimum

**Individuals & Societies I&S**
(Social Sciences) 12 credits minimum

**Visual, Literary & Performing Arts VLPA**
(Humanities) 10 credits minimum
