5 additional Composition or Writing W credits	
COM 220 VLPA — Intro Public Speaking	
5 additional VLPA credits	
3 Diversity (DIV): Courses that meet the university's diversity requirement	

Additional Information:

- 1. Preference for admission is given to applicants who have successfully completed lower-division prerequisite requirements. Admission decisions are based on an applicant's academic performance and potential, extent and quality of relevant experience, apparent attitude, and personal motivation. Completion of prerequisite requirements does not guarantee admission.
- 2. The departmental application deadline is April 1 for the following autumn quarter. Selection for acceptance into the program, which begins autumn quarter, is made by early May, and all applicants are notified of the admission committee's decision shortly thereafter.
- 3. The department strongly suggests students interested in this major contact the department adviser to help plan their schedule for completing the prerequisite courses. The adviser can be reached at: redison@uw.edu or in Architecture Hall room 120.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

ACADEMIC PLANNING WORKSHEET /APW for CONSTRUCTION MANAGEMENT / 2018

2. General Education & Basic Skills Requirements for the College off Built Environments

This major is in the College of Built Environments, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. *More info:*http://www.washington.edu/uaa/advising/degreeplanning/gereas.php

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

General Education Requirements					
UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124 – Calculus I	MATH& 151	AUT 08	5	A-	ВС
English Composition C, 5 credits					
Additional Writing W, 7 credits					
Quantitative & Symbolic Reasoning QSR, 5 credits					
Areas of Knowledge AoK - To graduate, students complete before transferring. It is just as important to work on prerect requirement. These credits simultaneously satisfy other Artinformation, go to: http://www.washington.edu/uaa/advi	quisites for your major.
