W

NAME _____ INTENDED QUARTER OF ENTRY _____

This worksheet is designed to help you learn about and plan for admission to your intended major and the University of Washington. More info about the admissions process can be found at http://admit.washington.edu/apply/transfer/. To plan your transfer, be sure to utilize https://www.engr.washington.edu/future/transfer.

1. The Major

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Total undergraduates in COMP E, as of Autumn 2017: 151 students

Students from Washington community colleges:

Entering Transfer Cumulative GPA

3.75-4.00	10
3.50-3.74	0
3.25-3.49	0
3.00-3.24	0
2.75-2.99	0
2.50-2.74	0
2.49 and below	1
Total	11

Department Admission Information

This major is capacity-constrained. Completion of prerequisites does not guarantee admission.

2019 Application Deadlines:

Note: Computer engineering only admits for autumn quarter. There is no department application. In order to be considered for admission to the department, select Computer Engineering on the UW application.

- Apply to the UW by: February 15

To be eligible to apply, you must have a 2.0 ("C" grade) in each prerequisite course and a 2.50 cumulative GPA in all the prerequisites. These are minimums; the actual GPA of those admitted is much higher.

More information for transfer students is available from the department's website:
https://www.cs.washington.edu/academics/ugrad/admissions/transfer.

Visit the general catalog for more information on this major:
http://www.washington.edu/students/gencat/academic/cse.html.

Courses Required for the Major

Application Requirements: Minimum coursework required to apply to the department. These are noted with an * below.

Enrollment Requirements: Additional coursework required before enrollment in the department. May be in progress at the time of application.

Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below. To find courses at your community college equivalent to the courses below, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124 – Calc Analytic Geometry I	*MATH& 151*	*AUT 16*	*5*	*A-*	*BC*
*CSE 142 - Computer Programming I (NW, QSR)					
*CSE 143 – Computer Programming II (NW, QSR)					
*MATH 124 - Calc Analytic Geom I (NW, QSR)					
*MATH 125 - Calc Analytic Geom II (NW)					
*MATH 126 - Calc Analytic Geom III (NW)					
*PHYS 121– Mechanics (NW, QSR)					
*English Composition (C)					

UNIVERSITY *of* WASHINGTON | OFFICE OF ADMISSIONS

Requirements are subject to change. Worksheets are updated annually.

Additional Information:

A minimum of 30 graded college credits completed by the University transfer application deadline.

2. General Education Requirements for the College of Engineering

In planning for your transfer, you should prioritize completing the courses required for the major listed above, rather than general education requirements. This major is in the College of Engineering, and the general education requirements listed below are for *graduation from that college.* You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education requirements.

Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

Basic Skills

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: ENGL 131 – Composition: Exposition	*ENGL&101*	*AUT 16*	*5*	*A-*	*BC*
English Composition C, 5 credits	This requirement is satisfied via the prerequisite coursework listed above.				
Additional Writing W, 10 credits					
Quantitative & Symbolic Reasoning QSR, 10 credits	This requirement is satisfied via the prerequisite coursework listed above.				

Areas of Knowledge (AoK)

Natural World NW (Natural Sciences) 40 credits minimum

Individuals & Societies I&S (Social Sciences) 10 credits

Visual, Literary & Performing Arts VLPA (Humanities) 10 credits

Diversity (DIV), (May overlap with I&S or VLPA) 3 credits
Note: it is most common to complete this at the UW.
