UNIVERSITY of WASHINGTON

ACADEMIC PLANNING WORKSHEET / 2018

ECONOMICS

NAME	INTENDED QUARTER OF ENTRY	

This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: admit.washington.edu

1. The Major

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Undergraduates in ECON,, as of Autumn 2017486

Department Admission Information

This major is capacity-constrained. Completion of prerequisites does not guarantee admission.

The application deadline is the second Friday of each quarter (autumn, winter, and spring). Transfer students must be enrolled at the UW before applying to the major.

Visit the general catalog for more information on this major: www.washington.edu/students/gencat/academic/economics.html

Courses Required for Admission to Bachelor of Arts

Total from Washington community collegesTotal 35

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124 – Calculus I	MATH& 151	AUT 08	5	A-	ВС
ECON 200 I&S QSR - Introduction to Microeconomics					
ECON 201 I&S Q/SR - Introduction to Macroeconomics					
STAT 311 NW QSR - Elements of Statistical Methods					
<u>Or</u>					_
O SCI 381 NW OSR — Intro to Probability & Statistics $\underline{\text{One}}$ of the following MATH courses:					
MATH 112 NW QSR - Business & Econ Calc					
MATH 124 NW QSR - Calc Analyt Geom I					
MATH 134 NW QSR - Accelerated [Honors] Calculus					
MATH 145 NW QSR - Calculus for Life Sciences					
English Composition					

Additional Information:

- Completion of at least 45 transferable credits, including above prerequisites.
- Although MATH 112 is acceptable, MATH 124 is preferred.
- Minimum cumulative GPA of 2.5 for college course work.
- Minimum cumulative GPA of 2.5 for prerequisites with minimum of 2.0 in each course.
- Transfer students must be enrolled at the UW before applying to the major.
- A one-page personal statement.

ACADEMIC PLANNING WORKSHEET /APW for ECONOMICS / 2018

Completion of reading comprehension, critical thinking, and writing (RTW) assessment essay. Transfer students should sign up to take the RTW after they
are admitted to the UW, meet the admission prerequisites, and are in their first quarter at UW.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

2. General Education & Basic Skills Requirements for the College of Arts and Sciences

This major is in the College of Arts and Sciences, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. *More info:*http://www.washington.edu/uaa/advising/degreeplanning/gereas.php

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

General Education Requirements					
UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124 – Calculus I	MATH& 151	AUT 08	5	A-	ВС
English Composition C, 5 credits					
Additional Writing W, 10 credits					
Quantitative & Symbolic Reasoning QSR, 5 credits					
Foreign Language, first-year college level, third-year high school level, or equivalent					_
					_
Areas of Knowledge AoK - To graduate, students complet before transferring. It is just as important to work on prere requirement. These credits simultaneously satisfy other A information, go to: http://www.washington.edu/uaa/adv Natural World NW	quisites for your major. Stu rea of Knowledge requirem	dents entering the latents and do not add	Jniversity of Was d to the total nur	hington must also meet a D nber of credits you need to	iversity
