NAME \_\_\_\_\_ INTENDED QUARTER OF ENTRY \_\_\_\_\_

This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: [admit.washington.edu](http://admit.washington.edu)

## 1. The Major

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

### Department Admission Information

This is a minimum requirements degree. Students are admitted all quarters. Applications can be downloaded from the Environmental Health undergraduate program website at [deohs.washington.edu/undergraduate](http://deohs.washington.edu/undergraduate). Applicants who meet the stated requirements are admitted in time to register for the following quarter as majors.

Transfer students may use any transferable equivalent course(s) for prerequisite coursework. Consult UW Equivalency Guide to verify transferability of coursework and meet with a departmental advisor prior to application.

## 2. General Education & Basic Skills Requirements for the School of Public Health

This major is in the School of Public Health, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. *More info:*

**Directions:** Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

### General Education Requirements

UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
<i>Example: MATH 124 – Calculus I</i>	<i>MATH&amp; 151</i>	<i>AUT08</i>	<i>5</i>	<i>A-</i>	<i>BC</i>
<i>English Composition C, 5 credits</i>					
<i>Additional Writing W, 10 credits</i>					
<i>Quantitative &amp; Symbolic Reasoning QSR, 10 credits</i>					

**Areas of Knowledge AoK** - To graduate, students complete 65 credits among the three areas listed below. *It is not necessary or even recommended to complete the entire AoK before transferring.* It is just as important to work on prerequisites for your major. Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate.
