This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: admit.washington.edu

1. The Major
Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Undergraduates in ENV H, as of Autumn 2017................48
...from Washington community colleges:

<table>
<thead>
<tr>
<th>Entering Transfer GPA</th>
<th>3.75-4.00</th>
<th>3.50-3.74</th>
<th>3.25-3.49</th>
<th>3.00-3.24</th>
<th>2.75-2.99</th>
<th>2.50-2.74</th>
<th>2.49 and below</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total from Washington community colleges..................</td>
<td>Total 8</td>

Courses Required for Admission to Major

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

<table>
<thead>
<tr>
<th>UW Course</th>
<th>Dept. Prefix &amp; Number</th>
<th>Term/Year</th>
<th>Credits</th>
<th>Grade, In Progress (IP) or Projected (P)</th>
<th>College</th>
</tr>
</thead>
<tbody>
<tr>
<td>MATH 124  – Calculus I</td>
<td>MATH 151</td>
<td>AUT08</td>
<td>5</td>
<td>A-</td>
<td>BC</td>
</tr>
</tbody>
</table>

English Composition*
BIO 180 NW – Intro Biology
BIO 200 NW – Intro Biology
BIO 220 NW – Intro Biology
CHEM 142 NW QSR – General Chemistry*
CHEM 152 NW – General Chemistry*
CHEM 162 NW – General Chemistry*
CHEM 237 NW – Organic Chemistry
CHEM 238 NW – Organic Chemistry
CHEM 238 NW – Organic Chemistry
CHEM 223 NW – Organic Chemistry
CHEM 224 NW – Organic Chemistry
MATH 124 or Q SCI 291 NW QSR – Calculus

Department Admission Information
This is a minimum requirements degree. Students are admitted all quarters. Applications can be downloaded from the Environmental Health undergraduate program website at deohs.washington.edu/undergraduate. Applicants who meet the stated requirements are admitted in time to register for the following quarter as majors. Transfer students may use any transferable equivalent course(s) for prerequisite coursework. Consult UW Equivalency Guide to verify transferability of coursework and meet with a departmental advisor prior to application.

Email ehug@uw.edu or call 206-543-4207 with questions. Visit http://depts.washington.edu/ehug/ for application and additional information. Visit the general catalog for more information on this major: www.washington.edu/students/gencat/academic/environmental_hlth.html
TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crs Cat.

2. General Education & Basic Skills Requirements for the School of Public Health

This major is in the School of Public Health, and these are requirements for graduation from that college. You’ll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. More info: http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

**General Education Requirements**

<table>
<thead>
<tr>
<th>UW Course</th>
<th>Dept. Prefix &amp; Number</th>
<th>Term/Year</th>
<th>Credits</th>
<th>Grade, In Progress (IP) or Projected (P)</th>
<th>College</th>
</tr>
</thead>
<tbody>
<tr>
<td>Example: MATH 124 – Calculus I</td>

<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Additional Writing W, 10 credits</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Quantitative &amp; Symbolic Reasoning QSR, 10 credits</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Areas of Knowledge** AoK - To graduate, students complete 65 credits among the three areas listed below. *It is not necessary or even recommended to complete the entire AoK before transferring.* It is just as important to work on prerequisites for your major. Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate. For more information, go to: http://www.washington.edu/uaa/advising/academic-planning/general-education-requirements/diversity/

*Natural World NW*
(Natural Sciences) 20 credits minimum

*Individuals & Societies I&S*
(Social Sciences) 10 credits minimum

*Visual, Literary & Performing Arts VLPA*
(Humanities) 10 credits minimum
