This worksheet is designed to help you learn about and plan for admission to your intended major and University general education requirements. As progress toward your intended major is a factor in transfer admission review, this information is also a part of the transfer admission application. More info: admit.washington.edu

1. The Major

Major Profile: In the admission decision for this and every major, a wide range of factors are taken into consideration. The profile should not be used to overstate the importance of grades in the admission decision for academic majors but it may offer some guidance as you plan for transfer.

Undergraduates in ENVIR, as of Autumn 2017 ................221

<td>AUT 08</td>
<td>5</td>
<td>A-</td>
<td>BC</td>
</tr>
</tbody>
</table>

One from:
CHEM 120 NW/QSR – Principles of Chemistry I
CHEM 142 NW/QSR – General Chemistry
BIOL 180 NW – Intro Biology
Check with adviser for approved substitutes.

One from:
STAT 220 NW QSR – Principles of Statistical Reasoning
STAT 221 NW QSR – Stat Concepts and Methods
STAT 311 NW QSR – Elements of Statistical Methods
QSCI 381 NW QSR – Intro Probability & Statistics

One from:
ENVIR/ECON 235 I&S/NW - Environmental Economics
ECON 200 I&S/NW QSR – Intro to Microeconomics
ECON 201 I&S/NW QSR – Intro to Macroeconomics

One from:
ENVIR 100 I&S/NW – Intro to Environmental Studies
ESRM 100 I&S/NW – Intro to Environmental Science

Department Admission Information
Admission to this major is open. Students in good academic standing can declare this major at any time. Although this major is open, students are strongly encouraged to prepare for the major before transferring. Environmental Studies is a Bachelor of Arts degree program.

Students interested in the major are encouraged to contact the adviser early. Help is available for identifying alternatives to BIOL 180 at your community college: enviradv@uw.edu

Undergraduate Program Adviser: Wallace Hall (ACC), Suite 12, 206-616-2461, enviradv@u.washington.edu. Visit the program website for more information: envstudies.uw.edu

Visit the general catalog for more information about this major: washington.edu/students/gencat/academic/envir.html

ROOMS OF WASHINGTON | OFFICE OF ADMISSIONS
Requirements are subject to change. Worksheets are updated annually.
2. General Education & Basic Skills Requirements for the College of the Environment

This major is in the College of the Environment, and these are requirements for graduation from that college. You’ll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. More info: http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php

**Directions:** Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

**General Education Requirements**

<td></td>
</tr>
<tr>
<td>Quantitative &amp; Symbolic Reasoning QSR, 10 credits</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**Areas of Knowledge AoK** – To graduate, students complete 60 credits among the three areas listed below. *It is not necessary or even recommended to complete the entire AoK before transferring.* It is just as important to work on prerequisites for your major. Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate. For more information, go to: http://www.washington.edu/uaa/advising/academic-planning/general-education-requirements/diversity/

- **Natural World NW**
  (Natural Sciences) 20 credits minimum*

- **Individuals & Societies I&S**
  (Social Sciences) 20 credits minimum*

- **Visual, Literary & Performing Arts VLPA**
  (Humanities) 10 credits minimum

* 10 credits of I&S and 10 credits of NW must be outside the major (i.e., not a major prefix and no overlap with major)
