Courses Required for Admission to Major								
Directions: Record the courses you have taken, are takin below.	g, or plan to take prior to	UW enrollment that	t you believe are	equivalent to the UW cours	se requirements listed			
UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College			
Example: MATH 124 – Calculus I	MATH& 151	AUT 08	5	A-	ВС			
Statistics (One of the following): BIOST 310 – Biostatistics for Health Sciences EDPSY 490 – Basic Educational Statistics PSYCH 315 – Understanding Statistics In Psychology PSYCH 317 – Intro to Probability and Statistics PSYCH 318 – Statistical Inference QMETH 201 – Intro to Statistical Methods QSCI 381 – Intro to Probability and Statistics STAT 220 – Basic Statistics STAT 311 – Elements of Statistical Methods Human Anatomy & Physiology BIO 119 – Elementary Physiology Laboratory Medical Terminology								
Medical Terminology Medical Terminology (community college) CLAS 205 — Bioscientific Vocabulary								

CLAS 205 *alone* does *not* fulfill the prerequisite.

Students must complete a medical terminology challenge exam. Contact the department to schedule.

ACADEMIC PLANNING WORKSHEET /APW for HEALTH INFORMATICS & HEALTH INFORMATION MANAGEMENT / 2018

Additional Information:

Minimum of 90 transferable credits; Minimum of 2.0 in each prerequisite course; Cumulative GPA of 2.5 or higher in prerequisite coursework.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

2. General Education & Basic Skills Requirements for the School of Public Health

This major is in the School of Public Health, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. *More info:*http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php

Directions: Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.

General Education Requirements					
UW Course	Dept. Prefix & Number	Term/Year	Credits	Grade, In Progress (IP) or Projected (P)	College
Example: MATH 124 – Calculus I	MATH& 151	AUT 08	5	A-	ВС
English Composition C, 5 credits					
Additional Writing W, 10 credits					
Quantitative & Symbolic Reasoning QSR, 5 credits					
Areas of Knowledge AoK - To graduate, students complete <i>AoK before transferring.</i> It is just as important to work on prequirement. These credits simultaneously satisfy other Arinformation, go to: http://www.washington.edu/uaa/adv	rerequisites for your major. rea of Knowledge requirem	Students entering tents and do not add	the University of \ d to the total num	Washington must also meet observed to a	a Diversity
