### ACADEMIC PLANNING WORKSHEET /APW for LANDSCAPE ARCHITECTURE / 2018

W

L ARCH 300 VLPA – Intro L Arch Design Studio	
L ARCH 212 VLPA – Designing the Future	
ARCH 322 VLPA – Intro Planting Design	
Drawing and/or Painting Courses (recommended ART 190, ARCH 200, 201, 415, 418)	
20 credits of I&S	
20 credits of NW (suggested courses below)	
ESS 101 NW – Intro Geological Sciences	
BIOL 317 NW – Plant Classification and Identification (recommended)	
ESRM 331 NW – Landscape Plant Recognition	

**Additional Requirements:** To apply to the BLA program at the start of spring quarter, students will need to have taken the prerequisite courses and a minimum of 60 credits of General Education coursework. Students looking to complete the degree in seven quarters should complete all departmental General Education requirements prior to starting the degree. L ARCH 300 and LARCH courses not required within the BLA program may count in the General Education requirements. Drawing and painting courses are encouraged and will help prepare for a required portfolio submission in the application process. Exposure to computer animation (Adobe Suite: Photoshop, Illustrator, InDesign; Sketch-Up; CAD, Rhino) are helpful.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, <a href="mailto:admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide">admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide</a>. In order to compare course titles and descriptions from your current school to those offered at the UW, visit <a href="https://www.washington.edu/students/crscat">www.washington.edu/students/crscat</a>.

### ACADEMIC PLANNING WORKSHEET /APW for LANDSCAPE ARCHITECTURE / 2018

### 2. General Education & Basic Skills Requirements for the College of Built Environments

This major is in the College of Built Environments, and these are requirements for *graduation from that college*. You'll find that many of them overlap with prerequisites for the major and requirements for an associate degree. However, completion of the associate degree does not in itself guarantee completion of UW general education or basic skills requirements so it is in your best interest to work these into your schedule before you transfer. *More info:*<a href="http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php">http://www.washington.edu/uaa/advising/degreeplanning/gereqs.php</a>

**Directions:** Record the courses you have taken, are taking, or plan to take prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.
