Additional Information:

A college-level statistics class is a prerequisite for senior year coursework and is recommended prior to admission, though it may be taken during junior year. It is helpful, though not required, to complete the foreign language graduation requirement before starting program.

TIP: To find courses at your community college equivalent to the prerequisites listed, use the Equivalency Guide for Washington Community & Technical Colleges, admit.washington.edu/BeforeYouApply/Transfer/Plan/EquivalencyGuide. In order to compare course titles and descriptions from your current school to those offered at the UW, visit www.washington.edu/students/crscat.

2. General Education & Basic Skills Requirements for the School of Social Work

*Directions: Record the courses you **have taken, are taking, or plan to take** prior to UW enrollment that you believe are equivalent to the UW course requirements listed below.*

- Many of the courses below meet the prerequisites for the BASW major above and the requirements for an associate degree.
- Completion of the associate degree does not guarantee completion of UW general education requirements.
- It is advised that you take these courses before you transfer.
- Students entering the University of Washington must also meet a Diversity requirement. These credits simultaneously satisfy other Area of Knowledge requirements and do not add to the total number of credits you need to graduate.
