For new freshmen, we can consider the costs associated with participation in the Discovery Seminars. Discovery Seminars are intensive, Early Fall Start 5-credit, month-long courses designed to meet the needs of incoming freshmen the month before autumn quarter begins. For more information, please see http://outreach.washington.edu/efs/.

You may complete this form showing the increased costs (tuition and/or on campus housing) arising from your participation. We will determine if we can increase your financial aid award to meet these costs (generally only student and/or parent loans are available). Please note that all autumn financial aid funds cannot be disbursed until the autumn quarter begins.

1. Will you be enrolled in a 5 credit Discovery Seminar?
   - Yes
   - No
   *If no, please do not complete this form.*

2. If yes, will you have residence hall housing?
   - Yes
   - No
   *If no, we can consider the cost for the Early Fall Start course fee only.*

3. If yes, please tell us which residence hall will you live in and indicate if it is a single, double or triple:
   - Name of residence Hall: ____________________________
   - Single
   - Double
   - Triple
   *If yes, we can consider the costs for both the Early Fall Start course fee and residence hall housing.*

I certify the information provided on this form is true and complete to the best of my knowledge. I understand that if I am eligible for additional funding it will be an increase to my loan award(s).
